RE : EXCERPT OF A MANUAL OF COMMUNITY PROBLEMS

Ladies and Gentlemen:

The Central Office has prepared a manual for the teachers of Community Problems. This manual is a revision of the two bulletins published last year:

Boletín Ilustrativo de Problemas de la Comunidad

Boletín de Orientación de Problemas de la Comunidad

The manual consists of useful help for the teachers of Community Problems and includes changes in the organizations of the teaching of that subject.

Due to the fact that the manual will not be sent before classes begin, and in order that you will have an idea as to the most important changes suggested, we are sending herewith an excerpt of the manual which includes part of those changes.

The local supervisors will see that each teacher of Community Problems reads and understands the information given on the attached pages.

Very truly yours,

(Signed) JOSE M. GALLARDO
Commissioner of Education
